ENVIRONMENTAL STEWARDS

Bellmont Cabinet Co. has demonstrated an ongoing commitment to environmental responsibility and sustainability for 30 years, and when given the choice, we choose 'GREEN'. Steps like these protect our planet and secure the future for our children.

This is why we're a certified member of the Environmental Stewardship Program (ESP), administered by the Kitchen Cabinet Manufacturers Association (KCMA). Joining this voluntary program supports our commitment to conservation and ensures our compliance in air quality, emissions, sustainable material usage, energy-efficient manufacturing, and waste & recycling management.

TSCA TITLE VI COMPLIANT

All Belmont Cabinet Co. materials are TSCA Title VI compliant. This ensures that all materials manufactured and delivered represent our commitment to air quality and the health of our customers.

While we do not offer a NAUF product, all our materials are either low emitting or ultra-low emitting materials with low VOC content.

TSCA stands for the Toxic Substances Control Act and is regulated by the US Environmental Protection Agency. This standard meets or exceeds what is known as CARB-2 compliance but applies to all states nationwide. CARB is specifically intended for products sold in California.

QUALITY CERTIFICATION

Bellmont Cabinet Co. carries the KCMA/ANSI A161.1 Quality Certification Seal. Our cabinetry has been certified for safety and durability for all series and door styles. This is a rigorous testing process by a 3rd party laboratory of structural components, shelves, finish, and door & drawer operation that replicates years of in-home use.

The KCMA Quality Seal is the benchmark of quality across the kitchen cabinet industry. This ensures Belmont's cabinetry can be purchased and used with confidence and pride.

Photography and color samples have been reproduced as accurately as possible and are for depiction only. To ensure highest satisfaction, we recommend ordering finished material samples for best color, wood grain, and finish representation when making your selection.
